Dear Mary,

I feel it necessary to write this note of praise.

In the military when a soldier is given a "medal of citation," it is due to serving "Beyond the call of duty".

Well, I just feel that your staff deserves "citations" for their going "Beyond the call of duty" going the "Extra Mile".

Always pleasant, eager to help and extremely patient, also showing a great dedication to Marvin. Last but not least yourself a great "Chief of Staff".

with much appreciation
