

SANTA'S SENIOR GIFT

Up on the Marvin top Reindeers pause
A voice in the night comes from Santa Claus
This IS the right place stop stomping your hoof
Although we're on top, we're still "Under One Roof"

This place is a winner in all that they do
Celebrating Seniors and children too.
It's their anniversary of 15 years
Thanks to Directors donors and volunteers

They celebrate birthdays and holidays, too
There's always and each day something to do,
Exercise, painting, knitting, a movie
Wii bowling, music shows, day trips all groovy

Massages, Reflexology, Wendy's workouts, walks
Trivia Hour, Game Night, Bingo, Tea Talks
Students plan projects to help seniors out
World Harmony Runners stopped here on their route

There are birds in each lounge tweeting their song
With the musical programs they all sing along
Seniors lunch with the children, help them in class
Each month some seniors attend the lounge Mass

So we'll drop off these presents & designer canes
Some bottles of wine to soothe some seniors' pains
Remember Jack's Wheaties for those bowling winners

Leave stars for the kitchen staffs' wonderful dinners
And one last gift from this jolly old Santa
For the diners to share? Throw? Charlotte's banana!

So kudos to guards, caretakers, aides
& resident helpers, they ALL get top grades
As the reindeer start pulling Santa away
He CHEERS Thank You Mary, Chris, Lori Jose!
